LCA students are terrific examples of diversity. They come from different cultural, economic, religious, and educational environments.

The Reach Program looks to encourage this fusion of various backgrounds.

"I understand being a Reach scholar is an honor, a privilege, and a responsibility. I look forward to the day when I will be able to help ambitious young students achieve their goals as you have done for me.

Thank You. —Carl 09

LEXINGTON CHRISTIAN ACADEMY
Lexington Christian Academy is an independent college preparatory school that exists to educate young men and women in the arts and sciences in the context of a complete commitment to the historic Christian faith.
