January 1, 2015

To LCA Parents of **New, Returning or Multi-Student Families** applying for Financial Aid:

At Lexington Christian Academy, we see God’s provision for students, faculty, staff and facilities literally on a daily basis. From sharing our athletic teams’ successes, to seeing students grow academically, to marveling at God’s unending supply of exactly the right new people, we are truly a blessed community.

One of the blessings that we don’t always acknowledge each day is our commitment to maintaining a viable and purposeful Financial Aid Program. Tuition assistance and its long-term impact are made possible only by the many generous donors behind the scenes. Please keep that in mind as you include financial aid in any plans for your child’s education. **Unfortunately, at this time, LCA is unable to offer financial aid to our International students.**

This letter, along with the “Financial Aid Timeline”, will provide you all the necessary information required to apply for financial aid. Please note that financial aid applications cannot be considered for families whose application materials are incomplete or whose 2014-15 tuition account(s) at LCA are not current. All families who wish to be considered for financial aid must accomplish the following:

- Submit a complete application for admission to the Admissions Office. New student applicants must be accepted for admission prior to receiving their financial aid award. If you are unsure of whether your admissions application is complete, please contact the Admissions Office ASAP. (NEW STUDENTS ONLY)
- Complete the Parents’ Financial Statement (PFS) application and submit it to SSS no later than February 20, 2015. All applications should be directly submitted via the SSS website at: http://sss.nais.org/parents/
- **Submit directly to the Academy:**
  - Copies of all applicable 2014 IRS Tax Form(s) 1040 with all accompanying schedules, no later than February 27, 2015. (can be faxed directly to LCA’s confidential financial aid fax line at 781.305.9373 or e-mailed to financialaid@lca.edu).
  - Copies of all applicable W-2’s for 2014, no later than February 27, 2015. (can be faxed directly to LCA’s confidential financial aid fax line at 781.305.9373 9373 or e-mailed to financialaid@lca.edu).

Since the determination of financial aid awards is an extensive process, it is important that you meet all deadlines as they are listed. Although the Academy allocates well over one-half million dollars to financial aid, the demonstrated need of our families exceeds our available financial aid funds each year. As a result, we process all applications together in order to award financial aid equitably, with the yearly awards based on the availability of funds.

Families who have submitted all financial aid materials by February 27, 2015 should receive a response within their re-enrollment or enrollment packages which are mailed on or before March 27, 2015. This will enable you to make an informed decision regarding your ’15-’16 enrollment decision, including families with multiple students, prior to the Enrollment or Re-enrollment deadline of April 10, 2015.

If you have any questions about the financial aid process, please do not hesitate to contact the Business Office at financialaid@lca.edu or 781.862.7850.

Sincerely,

Kimberly A. Borgen
Financial Aid Committee Chair
