Parents in Prayer

All parents are welcome to join Parents in Prayer for our end of year celebration tomorrow morning at Lisa Burrowes' home (a short drive from LCA). We'll be having a light breakfast and a time of reflection and praise for what God has done throughout the school year. Details are here: https://goo.gl/0pa7Mt. Please contact Lisa at lisaburrowes@gmail.com with any questions.

It has been a privilege to pray for the students, parents, teachers and staff, and the needs of the entire LCA community this year. Thank you for entrusting us with your prayer requests. May the Lord bless each of us with a restful and safe summer!

Announcing an exciting trip during AIA!

Rising seniors (Class of 2017) and juniors (Class of 2018) have the opportunity to take a fun and educational trip to Florida with their classmates next year during Academics in Action Week. I will be leading the group along with other adults as needed. The trip will provide students who are taking or have taken Biology with the opportunity to learn about the ecosystems of the Everglades, the Gulf of Mexico, and the Florida Keys.

The trip is scheduled from 3/20/2017 to 3/24/2017. We are using the professional travel company Grand Classroom to plan every aspect of the trip. Visit the Lexington Christian Academy trip webpage at www.grandclassroom.com, click “Find My Trip / Register” at the top and search Lexington Christian Academy.

The all-inclusive price covers travel, lodging, meals, special tours and programs.
Parents, please be aware of the following dates:

1. Parent Informational Meeting: Friday, 6/3/2016 at 7:30 a.m. After dropping off your students for their exams that morning, you are invited to join me in the library to hear about the proposed itinerary and ask questions about the trip.

The real goal is to find what is best going to meet your student's needs and helps them with their school work. For some this will be a light macbook and for others it may be an inexpensive windows laptop. My real advice is to definitely look at a few different choices and pray about it before buying something on sale.

**iPad Return--Past Due--Exams start this week**

Students in grades 8-12 that received a LCA iPad were to have returned it by last Friday, May 27.

Students who have not returned iPads by the end of the day tomorrow, Wednesday, will not be allowed to take exams which start Thursday, June 2. All fees for lost chargers or cracked screens must also be paid in full. There is a late fee incurred to take exams late.

Library material checked out this term must be returned by June 1. Returning titles this week would be appreciated--especially if they are languishing in your locker. Students will not be allowed to take their exams if books are not returned.

Summer Reading titles may be checked out the last two days of exams, June 6 & 7. Other titles for recreational reading that are not on the official summer reading list may be checked out for the summer starting this week.

Class of 2018 - Grade 10
Class of 2019 - Grade 9
The Class of 2018 and 2019 Parents and Guardians are responsible for hosting the Graduation Reception on Saturday, June 11th.

There is a lot of prep work that goes into planning this event. The menu is set and the tables and linens have been ordered. This is a busy time for everyone and lots of helping hands will make this work go smoothly. Everyone of us is required to assist in some capacity. Please choose TWO areas as a volunteer. There will be purchases that need to be made, items picked up, rooms set-up, food to be served and areas to be cleaned up.

Thank you for all your help and support.

Sincerely,

Chrissy DiGiovanni, Linda Mosquera and Lisa Cer
