A few of the reasons to choose
LCA's IAE program...

about IAE:

Lexington Christian Academy presents the Intensive Academic English Program (IAE), a year-long academic curriculum for international students who want to succeed at a rigorous, American college prep program. IAE at LCA combines advanced English language proficiency training, American history, and cultural literacy instruction.

High School students receive course credit for English and History. Students who successfully complete the program will be prepared for the traditional academic program at LCA. Advanced Level students will be able to earn additional credits at LCA and work through the summer to earn enough credits to advance to the next grade.

This program is designed for the motivated student who wishes to learn English at an accelerated rate. Those who wish to continue at LCA must successfully complete the program requirements and be invited to return to our regular academic program. Please contact the LCA Office of Admission for more detailed information on the IAE Program. We look forward to hearing from you!

overview

Academic Program:

The Intensive Academic English program serves the needs of international students who want to focus on developing academic-level English reading, writing, and speaking, and is designed to help students succeed in meeting academic expectations in American schools and universities.

Boarding Program:

LCA's boarding facility is situated on 7 acres of landscaped grounds a short distance from the main campus, and only 20 minutes from the exciting city of Boston. Students are immersed in academic courses throughout the day and are supported after school hours by highly competent, caring, professionally-qualified residential staff.

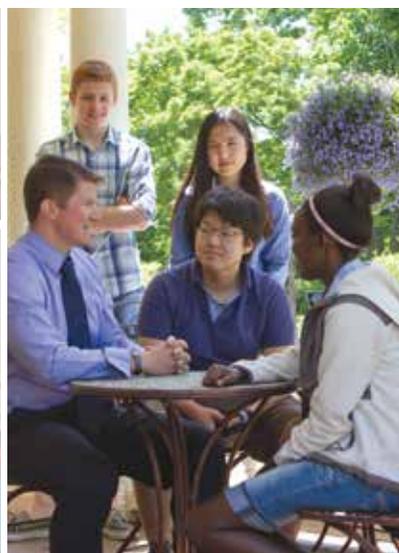

Faculty:

Our faculty are native speakers of English with extensive professional educational experience and proven ability to inspire students. They communicate passion for their subject matter, employ highly interactive teaching methods, and work as a team to meet each student's academic needs.

Campus & Facilities:

Lexington Christian Academy's 30 acre main campus is located in historic Lexington, MA. The 75,000 sq. ft. facility contains 20 classrooms in total including 4 state-of-the-art science labs, and a computer lab used for everything from graphic design to journalism to video editing. In addition, LCA also features:

- state-of-the-art auditorium, The Cross Center
- Music Center with 3 practice rooms
- Gymnasium with full-size basketball court; batting cage; and a 2-story rock climbing wall. Plus, 3 fields for soccer, lacrosse, field hockey, baseball and softball; and a scenic cross-country trail.
- Art studio with pottery wheels, kilns, and art gallery
- Library with more than 8,000 volumes
